Space Coast Chapter Members are cordially invited to attend the 2015 Space Coast Chapter Annual Meeting.

The Space Coast Chapter Board of Directors will convene the required 2015 Annual Meeting to vote for your Chapter Directors for Fiscal Year 2016 covering the period from 1 October 2015 to 30 September 2016. Each and every Space Coast Chapter Member is encouraged to attend.

This is your chance to voice your opinion on Chapter events and training needs. What do you want your chapter to do for you to advance your investment education? What will make you a successful investor? How may we help you meet your investment goals? Does your investment club need operation guidance or training? You may send your training requests and comments ahead to president@spacecoast.betterinvesting.net.

BetterInvesting is moving in a different direction - we need your feedback on the Chapter's role in the future. Do you want to see more individual club training (i.e., we come to you) or do you want to see more on-line computer classes? Do you want to see more education fairs (one day with a choice of multiple classes to fill the whole day) in your town?

It is also time for the Annual selection of Chapter Directors. The chapter needs "new blood" - if you are interested in becoming a director, please let us know. We need volunteers to help with our FaceBook and Twitter campaigns. We need volunteers willing to become trainers and visit investment clubs. We need people to help us put together education fairs in each of the counties/cities we cover (from Tampa to Gainesville to Orlando to Titusville). There is plenty of work to spread around! There is a use for whatever skills you bring to the Chapter! We will help you find a good fit for your talents! If you are interested in volunteering with us, or just want to find more about what volunteering with us entails, please email us at president@spacecoast.betterinvesting.net.
