

Change Detection

Notification by email of an update to a web page

When the Auxiliary Web Site for the Space Coast Chapter at www.naicSPACE.org is updated or that of another of your favorite sites, you may receive notification by email by following the below instructions:

1. Go to <http://www.changedetection.com/monitor.html>
2. Follow the instructions on the screen. They are:
 - a. To open the Change Detection Wizard
 - b. Enter the address (URL) of the web page you want to monitor for changes
 - c. Enter your email address
 - d. Click Next, then Close.
3. You will receive email notification confirming your request.

It is that simple and it is free.

As of 1 August 2005, all recent changes, additions, and deletions to the Auxiliary Web Site for the Space Coast Chapter at www.naicSPACE.org will be noted at the top of the page for your convenience.

For any comments, corrections, or suggested improvements or additions, please email Webmaster@NAICSPACE.org.
