## Investor's Toolkit Data from STOCKcentral

Start your Investor's Toolkit.  
Then click on Preferences.

In the Preferences window, click File Locations  
Then click the tab Select Data Subscriptions.

In the Select Data File Subscription window, click the down arrow to see your choices.

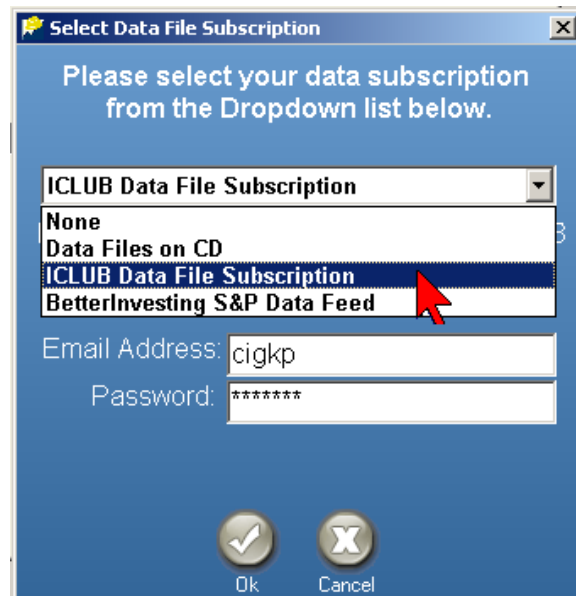

Select ICLUB Data File Subscription

In the Email address block enter your STOCKcentral User name.

In the Password block, enter your STOCKcentral password.\*

These are both the same as you now use to log in for the STOCKcentral website.

Lastly click OK.

\*Ignore the fact that it asks for your Email Address
