

The Toolkit “Notes” Function

A notepad is available to record important comments about this company, such as

- [1] what influenced you to buy/not buy this stock?
- [2] What has *Value Line* said about its prospects?
- [3] What influenced your forecast of EPS annualized growth rate?
- [4] Any other significant comments.

CAUTION: When you export and import in the .ssg [Toolkit 3] format, the Notes will not be exported or imported. Export in .itk [Toolkit 4] format to preserve the Notes.

NOTES can be accessed from the Stock Selection Guide, Portfolio Management Guide, or PERT-A.
